

Catalina Island Marine Institute

Please join us on Oct.----- 2011

at 6:30 Pm for a Meeting about the New Educational Tour held at Tierra Del Sol Middle School

CIMI Camp DATES:

April 13, 14, 15, 2012

Spring break

Educational Oceanography Camp

For 6/7/8 grade Students in the Lakeside Union School District.

3 Days of Hands-On Program Including:

Equipped Labs, Snorkeling, Oceanography Experiments, possible Mammal sightings, Marine Biology and Island Ecology. The Camp promotes responsible interactions with animals and nature, fostering a Life-Long Appreciation for living things. Dynamic instructors with appropriate college degrees will be the student's guides for the entire 3 day camp.

Roundtrip Motor Coach transportation, Ferry transportation, Cabins and Classes are provided at Fox Landing where the camp is held.

One teacher will be accompanying the group from the Lakeside Union School District. Lead teacher: Mike Bishop

Receive Registration information at the Meeting.....

See you there.... This tour is for a limited amount of participants.
